# On the Move: ASID Announces 2018-19 National Board of Directors

### Francis Cauffman

Francis Cauffman has made two new hires in their New York City office: Steven Stainbrook has joined as principal and Jay Hallinan as senior lab planner. Stainbrook is an urban designer, strategic planner, and educator with over two decades of experience. Hallinan previously worked for the SLAM Collaborative for over 17 years.

### Humanscale

Jane Abernethy has been appointed as Humanscale's first chief sustainability officer. She has been with the company since 2007 as a product designer, having helped guide numerous sustainability initiatives. These include diverting 84% of waste from their manufacturing facility in Piscataway, New Jersey, and engineering the Smart Ocean chair, made with recycled fishing net material.

### Yellow Goat Design

Lighting company Yellow Goat Design has opened a New York City office. YGD's services include designing and constructing sculptural and custom lighting for the hospitality, commercial, residential, and institutional sectors. They are currently based

in West Chester, Pennsylvania.

### Merritt/Agrell Architectural Carving

Ohio-based interiors firm Merritt has acquired Agrell Architectural Carving, an ornamental woodcarving company. The two firms have been collaborating since 1999 and have completed over 300,000 hours of carving together since. The acquisition is part of Merritt's mission to provide a complete interiors solution.

carving together since. The acquisition is part of Merritt's mission to provide a complete interiors solution.

### Havwoods International

Havwoods has expanded their North American team with two new hires: Gary Falco and Philip Walker. Both have joined as business development managers. Falco has design experience especially in the flooring industry, and Walker has over 20 years of experience in construction management. They will be based out of the company's New York showroom.
